Please review mSphereDirect's [external reviewer criteria](#).

I certify that I meet mSphereDirect's criteria for reviewers.

I certify that I have reviewed the final version of this manuscript.

I acknowledge that my name and institutional affiliation will be published with the article if accepted.

Review Questions:

(1) Please summarize the experimental approach and major findings of this study:

(2) Explain the importance and significance of this study and its conclusions:

(3) Relative to other papers published in microbiology journals, I feel that this manuscript would rank:

In the top 25%

In the top 50%

In the bottom 50%

(4) If there is supplemental material, does it make a substantive enough contribution to the work to warrant posting by mSphere?

Yes No Not Applicable

(5) Does the work described in this study raise any concerns about biosafety or biosecurity (see http://msphere.msubmit.net/html/biosafety_biosecurity_concerns.docx) that should be discussed by the ASM Responsible Publication Committee prior to publication?

Yes No

(6) Have appropriate statistical tests been applied?

Yes No Not Applicable

(7) In regards to the revised manuscript:

The author(s) has addressed all of my concerns.

The author(s) addressed my major concerns, but some minor issues remain. (See Comment Below)

The author(s) has not fully addressed my major concerns. (See Comment Below)
